FIXED TERM CONTRACTS

What we offer

- Robert Walters is responsible for sourcing and managing candidates throughout the recruitment process
- One time recruitment fees are applicable, pro-rated to the duration of the contract
- The candidate sits directly on the client's payroll as an employee

Robert Walters offers effective temporary, contract and interim recruitment services. I have both secured contract work as a jobseeker and also hired staff on a temporary basis through Robert Walters, and their specialist consultants made both processes straightforward. Hiring contractors is a cost effective method of bridging shortages in headcount or skills gaps, and the contract, payroll and fixed term contract services offered by Robert Walters makes this straightforward. I would definitely use their services again, and would highly recommend them.
